An Event Organised by the Environmental Association for Universities and Colleges UK SUSTE-TECH Project and in collaboration with JISC, Suste IT project.

Minimising the Environmental Impacts of Printing
Location: Clifton Hill House, Lower Clifton Hill, Bristol, BS8 1BX.
Date & Time: 14th December, 2010 from 11.00am to 4:00 pm.

Places are limited so book early

Registration and Refreshments from 10.45.

The event will provide an opportunity for you to:

• Network with peers from other universities and colleges who are concerned with their institution's level of paper use and environmental issues in general,

• Gain a better understanding of measures which can reduce the environmental impacts of printing, and to hear about examples of their implementation from universities and colleges.

• Learn how to calculate the Ecological Footprint of your institution's Paper Use and utilise that data to reduce paper use further

• Learn how to print less using fewer devices and save money from a Printing & Copying Equipment and service provider.

• Meet with other SUSTE-TECH project participants and find out what ICT related problems you have in common and how you anticipate tackling them.

10:45 am - 11:15 am: Registration with refreshments.

11:15 am -11:45 am   Welcome & Introduction: Introduction to the SUSTE-TECH project & benefits of EAUC Membership by Nicola Hogan, EAUC's SUSTE-TECH project manager.

11:45pm – 12:15 pm: Paper Use Reduction at Pembrokeshire College by Matthew Marl, IT Manager, Pembrokeshire College.

12:15pm-12.45pm: Printing Actions and Plans at the University of East London by Sara Kassam, Energy and Environment Manager, UEL.

12:45pm – 13:00pm   Use of the E -Reader to Reduce Paper Use by Dr. Mary Dean, JISC funded e-Reader Demonstrator Project, Edge Hill University.

13:00pm – 14:00pm: Lunch Break (Lunch is being provided for delegates)
14:00pm – 14:20pm: Controlling Copying and Printing in an FE College by John Larsson, Services Manager, Nescot College.
