

An Event Organised by the Environmental Association for Universities and Colleges  
UK SUSTE-TECH project and in collaboration with JISC's Suste-IT project.

## Procuring for Sustainable ICT Equipment

**Location:** School of Education, Building R19, (Room 107), Pritchatts Road  
University of Birmingham, Edgbaston, Birmingham, B15 2TT.

**Date & Time:** 24th May, 2011 from 9:30am to 1:00pm

Registration and refreshments from 9:00am

The event will provide an opportunity for you to:

- Learn the fundamentals of Procuring for Sustainable ICT equipment in the FHE sector.
- Gain a better understanding of Whole Life Costing for ICT equipment, the tools available and how they can help your institution get better value for money.
- Hear from the JISC funded PROCO<sub>2</sub> project manager whose research is changing the way institutions procure for sustainable ICT equipment.
- Network with peers from other universities and colleges who are experiencing similar sustainable ICT procurement problems and learn how to tackle them.
- Learn from institutions that have been successful in reducing their ecological footprint by implementing sustainable ICT procurement at their institutions
