Speaker profile

Gab Barbaro is Managing Director of British Gas Business Services, which provides energy services to businesses, housing associations and local authorities. Gab joined Centrica in 2009 as Head of Group Strategy. Prior to this, Gab spent 10 years working in the Energy Industry in the UK, Europe, North America and Australia, with the Boston Consulting Group and Accenture's Oil & Utilities team.

Note: Where the initials EPC are used, it does mean Energy Performance Contract and not Energy Performance Certificate.
